TWO Classic Games allowed for all sports except football. Only one Classic Game for football. The game will count on the overall record, but not toward the maximum number of contests. The first middle school basketball game will be October 10. No basketball division games should be played until after the first weekend in December.

\* Includes four (4) volleyball tournaments that can only be played on weekends.

With the new high school testing windows, coordination between Athletic Directors and District Test Coordinators will be more important than ever.
