A NICE PLACE TO LIVE

May 3, 2018

Dear *MHSAA Tennis State Championships Participants, Fans, and Coaches,*

It is with great pleasure that I welcome you to Oxford and to the FNC Tennis Complex! We are very excited to have you in Oxford competing for a State Championship!

We are very excited to host you at our fantastic FNC Tennis Complex. I hope that you will allow yourselves some time to go out and experience Oxford as well. Some of you have visited us in the past as this is our third year to host a portion of the MHSAA State Championships. We have added a Tennis Pro Shop on site, so if you have needs associated with your equipment or apparel, they will be able to help you. They also sell concessions so if you need that extra boost of protein, you can find it at the Pro Shop. There is also a new ice machine for the players to fill their coolers and a new drinking fountain with a bottle filler.

As excited as we are in all the new development, is sometimes comes with a price. We are building a new $12 million dollar Activities Center on site and it will cause parking concerns.
We have attached maps to help decongest the parking around the facility.

If you are driving a bus to our facility, we ask that you come to the FNC Tennis Center and drop off your players and equipment, and follow the instructions to park the bus at the old mall parking lot in the designated area. Call our shuttle at 662-816-5026 so they can bring the driver back to the tennis facility.

A NICE PLACE TO LIVE

Some other notes about parking; there is no roadside parking on Price Street. Please look at the attached maps to see parking at the Stone Center, Stone Ballfield, Oxford City Pool, The Chamber of Commerce, and if you are staying at the Courtyard by Marriot, please consider walking the Oxford Depot Trail as it connects to the Tennis facility.

We have cancelled all classes and programs at the Oxford Activities Center, so if you would like to go in and set up a team campsite please feel free to do so. There is plenty of room to spread out and relax or get out of the sun until it is time to play.

I wish you the best of luck in Oxford and your quest to win a MHSAA State Championship.
The Oxford Park Commission will have staff on site all week if you have any questions or needs to be handled.

For the Love of the Game,

Seth Gaines
