1. Please continue to be flexible as we finish this unusual year.
2. Due to the guidelines from the Tupelo Aquatic Center concerning Covid, teams can have a maximum of 4 athletes per lane. If you run 4 per lane, 2 swimmers will need to start from opposite ends while the other 2 will start from under each set of flags. If you run 3 per lane, 2 swimmers will start from opposite ends while the third swimmer begins from the middle. If you run 2 swimmers, each swimmer will need to start from opposite ends.
3. Please share your blocks with other teams as some teams will be warming-up in lanes without blocks. We can share and still social distance at the same time in the facility.
4. Please know putting this together this year was no fun, but at least our kids get to swim!
