Coaches,

I just want to thank everyone for being so flexible and understanding. Below are some reminders for State Championships:

1. All teams will enter the building together not before 9:15 a.m. Please remember one coach per 12 athletes.

2. Teams will enter the building on the North side. When looking at the building, the North side is to the left by the John Servati Memorial. A coach will need to pay the entry fees and sign their roster confirming they checked temps before teams can enter. The Tupelo Aquatic Center assigned seating by team size so please look for your designated place.

3. Spectators can enter the building through the lobby at 9:30 a.m. All spectators will need a color voucher and $10.00 to enter. All vouchers will emailed to the AD of each school by Wednesday, October 21. Please print these off in color.

4. I will need help from all teams with timers. Please encourage parents to volunteer to time. We will start calling timers at 11:30 so we can start on time at 12:00.

5. All swimmers, coaches, officials, and meet workers are required to wear mask. Please encourage your team to stay in their team areas as much as possible. Please don't allow your swimmers to hang out behind the blocks or cheer around the pool. Just trying to keep us in the water competing!

6. Please park your bus at the end of the parking lot by the fire station. Bus drivers will need to sit with the spectators unless they are part of the coaching staff.

7. Relay cards will be in your packets to fill out and return to the admin office. You will need to finalize who is swimming on the relay and add your alternates. The relay card will not be returned once the coach turns the card in to the office, swimmers will just report to the blocks. Here is when each relay card is due: 200 Medley Relay cards due by 10:45
200 Free Relay cards due before the start of event 13
400 Free Relay cards due before the start of event 17

8. If you want your swims to count for USA Swimming, please email me their registration numbers.
